Stephanie: thanks for reaching out. Petitioner Luminant (and its related companies in the case) agrees that the stay should continue. We take no position on the request to extend reports to 90 days. We will be filing a letter with the court on these points, so would not be joining yours.

Thanks,

Stephen

Subject: Request for position on proposed supplemental letter in Texas et al. v. EPA, 16-60118 (5th Cir.)

[External Email] Please use caution.

Counsel,

EPA plans to file a response to the Fifth Circuit's recent invitation to submit a letter regarding whether the stay should continue in Texas, et al. v. EPA and whether status reports should continue. We plan to state that the stay should remain in effect and that status reports should be submitted every 90 days rather than every 60 days. Please let me know if your client agrees with that approach and wishes to join the letter. If so, I'll circulate a draft letter next week.

Thank you,

Stephanie
